which is being organized as a base.

Conflicting Reports. The German official report of today ships. claims that "approximately two Eng-lish divisions were annihilated" during the retirement, but this is considered here as exaggeration. Accounts from Athens and Saloniki say the retreat was carried out in orderly manner and without heavy losses. By the destruc-tion of railway bridges and roads and by stubborn rear guard actions, in one of which two companies of the Innis-killing regiment sacrificed themselves to save their comrades, the Eulgarians were kept at a fairly safe distance. Puts Question Up to Greece.

The question now arises whether the failed. The question now arises whether the Bulgarians and Austro-Germans intend to follow the British and French troops into Greece and what action the Greek government will take should they do so. The impression gained from despatches emanating in Athens is that neither the Bulgarians nor the Turks, who also are reported to have arrived near the frontier, would be

ACTIVITIES OF LABOR'S NATIONAL PEACE COUNCIL.

Records Turned Over to U. S. Attor- Of William Black, an Anti-Catholic ney Marshall by Former Secretary.

New York, Dec. 13.—The records of the activities of Labor's National Peace council, the organization through which, according to United States Attorney Marshall, Franz von Ritelen carried on his conspiracy to instigate turkes in munitions factories, were curked in the control of the council of the activities of Labor's National Peace against three Marshall men charged with the murder of William Black, an anti-Catholic lecturer, killed here last winter, were transferred to Galveston today on change of venue. The accuracy of the council of th etrikes in munitions factories, were turned over today to Mr. Marshall by

L. P. Straube, former secretary to the council.

This evidence consists of speeches, notes, the by-laws of the council and a mass of other material which, it was a mass of other material which, it was declared at the federal building supports.

William Black was shot and billed. declared at the federal building, sup-plies important evidence for the prose-cution. One of the officials in charge of the prosecution stated that Straube's evidence "substantiates the case against these conspirators in ev-ery detail."

Straube came voluntarily from Chicago to give his evidence to Mr. Mar-shall. He will appear later in the week before the grand jury when it

Straube's information confirms, it was stated, the theory of the govern-ment that the peace council was dom-inated by an inner ring of five men, all agents of von Rintelen. Many other agents of von Rintelen. members of the organization were sin-cere peace advocates who did not realize what was going on in the inner

Tne officers of the council were Congressman Frank Buchanan of Illinois, president; H. Robert Fowler, former congressman from Illinois, general ongressman from counsel; Henry Martin, president of the Anti-Trust league, treasurer, and Herman Schulteis, director.

MYSTERIOUS SHOOTING OF

A YOUNG WOMAN At an Inn Near Darien-Found in Bed With Bullet Wound Near Heart.

Darien, Conn., Dec. 13.—Mystery surrounds the shooting of Miss Lida Wesselink of Darien, who is today in the Stamford hospital with a bullet wound near the heart. The shooting occurred yesterday at Chick inn, on the post road, a tea room opened by Miss Wesselink when she came to Darlen from New York about a year

No explanation has been secured from the injured woman, the only information so far made public tending to throw light on the affair is contained in a statement from Andrew Taylor, a friend, who says he called on her yesterday at her request and talked with her shortly before the shooting. Their conversation, he said, shooting. Their conversation, he said, had been friendly, and after a short time she excused herself and went upstairs, he in the meantime, he says, going to the kitchen and later out-side. On his return to the house, he side. On his return to the house, he says, he heard groans and, going upstairs, found Miss Wesselink lying across the bed with a bullet wound near the heart. Close at hand lay a revolver. He at once called in Dr. George H. Noxon, who attended her, and then directed her removal to the Stamford hospital.
